

Pre-packaged School Supplies

This year the PTO is offering pre-packaged school supplies for a flat fee. Everything listed on the school supply list will be included in the packet. The packet will be delivered to the school with your students name on it before school begins by Boomer's School Supply Warehouse. There are some add-on items that your student may already have such as: Bible, flash drive, combination lock and calculator that you do not have to purchase from Boomer's unless you want to.

To place an order, complete the attached order form and return or mail to the school office at 5225 I-20 Service Rd., West Monroe, LA 71292 with your payment made payable to NBS **by July 24th**. After July 24th, there will be an increase of \$10.00 per family.

You may also order and pay on-line at **www.boomerschoolsupply.com**.

This is a fundraiser for the PTO and your participation will support the PTO and save you time shopping for school supplies.
